## IMPORTANT

**Make sure you notify Marie LaForge by Wednesday of this week if you are not swimming in this Saturday's meet against Greenmeadow. You can email her at [marielaforge@gmail.com](mailto:marielaforge@gmail.com)**

- **Meet sheets:** On the morning of the meet, please check the meet sheets which **will be posted the same area that they were at practice meet** and note the strokes that your swimmers are racing, the heat, and the lane information. Have the swimmers write their heat and lane assignments on their hands. Parents are responsible for ensuring that the younger swimmers arrive at the Clerk of the Course in time for their events. Thanks!
- **Job Assignments:** Parent workers need to check in with Janet Savage Saturday morning when you arrive. The

## Volunteers Needed

1. Champs Volunteer Coordinator: We need someone to coordinate our volunteers for Champs. We have all of the forms and directions – so it is a straightforward job.
2. Awards Dinner Lead: We have lots of people signed up to help with the awards dinner but need someone to lead the effort. This is a wonderful event and we have checklist/directions from previous years to help.
3. Recovering the swim platforms. Our swim platforms really need recovering! We will gladly supply the materials if someone can supply the skills and the labor!

For any questions, contact Kelly Perey (kellyperey@yahoo.com) or Joyce Ray (joyce\_ray@comcast.net)

volunteer list is below and on the website. Check your assignment and if you cannot fulfill your scheduled job, **please arrange a replacement** and inform Kelly of the substitution.

- **Parent/Coach relay:** If anyone would like to participate in the parent/coach relay after the meet, bring your suit. We will check with Greenmeadow to see if they are going to field a team.

## Swim Team Buddy: Mascot Naming & Ice Cream Social

Swim Team Buddies were chosen at the Practice Meet and posters were made. This week's challenge: name the mascot! Meri will unveil the Swim Team buddies dolphin mascot at the meet on Saturday. Your task during the next meet is to get together with your buddy (or buddies if you have more than one) and decide on a name for the dolphin. We need one suggested name from each pair of buddies. After you decide on a name, write your suggestion on the forms located on the blue board outside the clubhouse. We will have coaches and other club members vote on the names.

After the meet, join your buddy for ice-cream and we will announce the name for the mascot. The pair of buddies that suggest the winner name will get to baby sit the mascot until the next meet.

## Appreciation Corner

- **Thanks to Karen Fleming and Jamie Kubo** for organizing an incredibly smooth Swim Team Picture day. Pictures should be here by June 5.
- **Thanks to Meri Bejar and Amy Bennett** for kicking off the Buddy Program.
- **Thanks to Robin Navarro Strong** for handling (and continuing to take orders) for our team apparel orders. The new apparel looks great!
- **Thanks to Barbara Pyle** for a most flawless swimsuit order and delivery.
